

2017 VENDOR INFORMATION

Thank You For 2016!

The 2016 Heartland Pride Parade in Council Bluffs was one of our largest yet, and the Festival at Stinson Park saw record numbers of people. THANK YOU!

Pride will be what we all make it. This community is better when we work together, learn together, and celebrate community together!

Our board and committee chairs are working hard at planning and developing programming for the 2017 "Alive With Pride" Parade and Festival ... and we need you! The festival will be on June 24, 2017. Sponsors play a vital role in helping celebrate community, educating the public on how your business or organization fits with the Lesbian, Gay, Bisexual, Transgender, and Queer (LGBTQ+) communities, and how together, we can make a difference.

The following pages contain our updated sponsorship packets. Kylee Wilson Kemp is our Grants and Sponsorship Chair and Board Member and can be reached at:

DETAILED INFORMATION

ALL BOOTH VENDORS: No organization is allowed to serve, sell, or give away pop or water. You are responsible for getting vendor passes to your team PRIOR to them arriving at the gate, they will need them to get in.

We generally sell out of booth space each year, you will want to book early to ensure your spot! Booths are assigned on first booked basis and no booth will be assigned until full payment is received.

All vendors must set up between 8:00am and 10:00am on the day of Pride. After set-up park will be cleared and all staff and vendors will be checked prior to opening at 11:00am. All booths must be closed by 10:00pm.

All vendor passes will be listed on the will call list. They will be under your organization name. Heartland Pride will not manage your individual lists, only the number of available passes. When the number of passes allowed has been issued, no other passes will be given. Best practice is to ensure your volunteers and staff have the passes prior to arriving at the gate.

FOOD VENDORS: A Food Vendor is a business selling food items. Factory packaged food items do not apply. A Food Vendor permit from the City of Omaha (Douglas County Health Department) is required and is the vendor's responsibility. No organization is allowed to serve, sell, or give away pop or water.

ELECTRICITY: Electricity will be available on a first come, first served basis, with a limited number of booths available for electrical service. You will need to submit your plan on what your needs are.

CANCELLATION POLICY: 100% refund prior to May 1. No refunds after May 1st. Heartland Pride is a rain or shine event!

APPLICATION: You may apply for your vendor booth by visiting www.heartlandpride.org

VENDOR PASSES: Will Call will be available by organization name at the entrance. They will be listed by organization name. When the number of people have checked in, no other passes will be given "free" from heartland pride for that organization.
